

Montagna info

In one of the highest part of the property, at 438 meters above sea level, is Montagna. It is just 1 km away from the castle in a very secluded area . In 2000 we have planted new vineyards both in the front and back of the house. The view from there is astonishing it's possible to admire from one side the Valdichiana Valley: the villages of Lucignano, Foiano della Chiana and on clear days even Cortona and the lake Trasimeno.

From the front of the house there is a very pleasant view of the Castle below, the valley and the Mount Cetona and Mount Amiata. This is the only "one family house" we have. It can host up to 16 persons. There are 8 double bedrooms, 10 bathrooms, kitchen, dining room, studio, sitting room. It has its own private 10 x 20 meters swimming pool with a large lawn area and fenced woodland for a total of about 2 hectares..

Due ettari di prato e bosco recintati fanno da cornice a questa bella villa unifamiliare che gode di un panorama veramente unico: da un lato la Valdichiana, dall'altro il Castello e la vallata e nello sfondo il Monte Amiata ed il Monte Cetona. Una piscina di 10x20 metri è ad uso esclusivo della villa che si compone di 8 camere da letto matrimoniali, 10 bagni, cucina con antico forno a legna per il pane, ampio soggiorno, studio e sala da pranzo.
